

WESTERN CANADIAN KARTING CHAMPIONSHIP

February 27, 2019

The Western Canadian Karting Championship would like to announce that in 2019 the Micro Max class will be run in the Lottery program with the Mini, Junior and Senior as were in 2018.

The Micro Max class will get a extra incentive to run in the lottery program. 3 tickets to the Rotax International Trophy will be awarded in the first two rounds. Each ticket will receive a paid entry which includes a Micro Max engine and tires. The Rotax International Trophy race will be held in Le Mans, France August 21-24, 2019. Each driver will also receive some extra funding from the WCKC to help with added costs.

When a Micro Max driver enters WCKC for \$350.00 plus tax the driver will get the use of the lottery engine and that also includes **FREE ENTRY** into the WCKC race. If a driver does not want to use the lottery motor the entry will be \$265.00 but will not be eligible for the Rotax International Trophy prize.

This is an amazing opportunity to get our young racers from the west international experience. More details to come!!!
